

CONSULTANTS TO THE BOARD

In order to pursue its educational mission and also to protect the public's financial investment in the schools, the Board will from time to time engage the services of qualified professional consultants to provide special services which present staff is unable to provide.

Before engaging any consultant, the Board will require submission of a written proposal that can be incorporated into a contract or purchase order if it satisfies the wishes of the Board. Proposals will detail:

1. The specific objectives to be accomplished by the consultant.
2. The specific tasks to be performed.
3. The procedures to be used in carrying out the task(s).
4. The target dates for the completion of the task(s).
5. The method to be used to report results to the Board and/or to deliver any "product" to the Board.
6. The cost to the District.

Board approval and the consultant's approval of this proposal is required prior to its execution.

The Superintendent will establish procedures necessary to aid in ensuring an efficient working relationship between the consultant and the Board and/or staff members.
